

Cornwall Ohio Sept 10 - 1878
W H Brown Esqr

Dear Sir:

Your letter to
Edwin was recd last evening -

I had concluded to come to your
place to-morrow to see about the
Stillman Monument - but to day
I was told by some parties who
just came down from Ashtabula

that Mr Daniels was up there
and had sold a Monument to
some parties who came in from
the South - and I thought perhaps
it might be labour lost for me
to come if Mr Stillman had bought
a Monument - So I thought I
would write you an Enclose

Postal Card to save time that you
could mail before you left the Post Office
and tell me whether Stillmans people
did finally buy at Ashtabula - If they
have not I will come immediately

Yours J B Atwood
